

An open letter from an Arab priest from Syria to his holiness, Pope Francis

Damascus, June 20, 2022
Fr Elias Zahlaoui

Your Holiness,

For long years, I have found it my duty, as an Arab Catholic priest from Syria, to write to you Open Letters, in which I reiterate my stubborn hope that I hear you proclaim, loud and clear, some of the horrific words that Lord Jesus directed to the haughty on the whole earth.

But in vain!

Are you not Jesus Christ's representative on earth?

Allow me, today more than at any other time—in the face of what threatens the whole world of annihilation by a nuclear war, that some have planned very knowingly—to bring to mind some words that Lord Jesus and his blessed mother, Virgin Mary, saw fit to speak, starting in 1982, in a humble house in Damascus, in an initiative that nobody could have expected.

Yes, from Damascus, in Syria, that some of the haughty on this earth wanted to annihilate, in the name of “Freedom, Democracy, and Human Rights”!

It pleases me to point out that this was the first time that Lord Jesus and his Holy Mother saw fit to speak in Arabic.

Your Holiness,

You have been kind enough to receive Myrna Nazzour, the recipient entrusted with these messages, and to talk to her and bless her, at the time she was in the company of his Grace, the Archbishop of Slovakia, Jan Babjak, in St Peter's Square in Rome, on October 6, 2017.

From the messages of Virgin Mary

I shall refer to three of these, only.

- On December 18, 1982, the Virgin Lady said, among other things:

*« My children, remember God, because God is with us.
You know everything, but still don't know a thing!*

...

Do good to the evil does,

And do not treat anybody badly....

*Proclaim my son, Emmanuel. He who proclaims him is saved, but
he who doesn't proclaim him, his faith is false.*

...

*Love each other. I do not ask for money to be given to churches,
Nor for money to be distributed to the poor. I ask for love.*

*Those who distribute their money onto the poor and churches,
But have no love in them, are nothing.*

...

Do not turn away anybody who asks for help. »

- During the ecstasy Myrna experienced on November 4, 1983, Virgin Mary gave her the following message:

*« Go down and tell them, you are my daughter before being their
daughter.*

My heart has been consumed over my only son,

It is not going to be consumed over all my children. »

- On August 15, 1990:

Exactly five months before the dirty war on Iraq— Myrna experienced an ecstasy in a church in the town of Braaschaat, in Belgium, during which Virgin Mary dictated the following message to Myrna:

« My children,

Pray for peace, especially in the East,

Because you are all brothers in Christ. »

From the messages of Lord Jesus Christ

I choose:

- On the Transfiguration Feast, on May 31, 1984,

Lord Jesus Christ started his message to Myrna, during an ecstasy she experienced in Damascus, with these words:

*« My daughter,
I am the beginning and the end.
I am the truth, freedom, and peace... »*

- In an ecstasy Myrna experienced in Los Angeles, in the US, on August 14, 1988, Lord Jesus gave her the following message:

*« My children,
My peace I gave you. What have you given me?
You are my church, and your heart belongs to me,
unless this heart has possessed a god other than me.
I have said: The church is the kingdom of heaven on earth,
who divided it has erred, and who has rejoiced at its division has erred.
It is easier for me that an infidel to believe in my name,
than those who claim to have faith and love and swear by my name.
You have to be proud of God alone.
Pray for the sinners who forgive in my name, and for those who deny my mother.
My children,
I have given you all my time. Give me part of yours. »*

- On Saturday of Holy Week of April 10, 2004,

During an ecstasy that Myrna experienced in Damascus, in the presence of a large crowd of international specialists in medicine, theology, and the media, Jesus dictated the following message to her:

« My last commandment to you:

Return each one to his home, but carry the East in your hearts.

From here light has issued forth, anew—You are its rays—onto a world seduced by materialism, desire, and fame, so much so that it almost lost all values.

As to You,

Preserve your Eastern Identity,

Do not allow for your will, freedom, and faith in this East to be taken away. »

- On great Maundy Thursday of Holy Week

(April 17, 2014—Syria's National Day of Independence), in the midst of the war on Syria, Lord Jesus dictated to Myrna this truly unique message amongst all His apparitions for two thousand years:

« The wounds that have bled on this land,

are the self-same wounds in my body,

because the cause and perpetrator are one.

But be confident that their fate is similar to the fate of Judas. »

Your Holiness,

Allow me, in conclusion, as an Arab Catholic priest from Syria, to propose to you this one and only question:

If Lord Jesus and the Holy Virgin have, in an absolutely unprecedented initiative, insisted on returning in this powerful way to their original homeland, Syria, that has been crucified by the whole world, this Syria which God has promised it a glorious resurrection, can any power on earth prevent you from following in their lead?

Please accept my hope and love.
